CASE: **ASDA**

A reputed company representing stainless steel from past 150 years with a very good client base.

Client is sourcing for **ASDA STORES**, they had done a tie-up with a company manufacturing colanders and bowls in India.

They were looking for a buying agents for regular quality checks and inspections for the merchandise of **WALMART**.

They were in touch with us from past few year and decided to appoint our company as indirect representatives for **ASDA**.

We received guidelines for quality checks, and labelling instructions, shipping & dispatch.

Solution

Regular inspections were conducted to ensure quality; timely assessments iron out major & minor defects, and customer felt satisfied.
